

NOVADOMUS – CHEMEDPHO

3rd Cohort Selection

Outcome of the NOVA DOMUS – CHEMEDPHO 2nd cohort applications

106 registrations at the database

44 applications

26 closed applications

2 unaccepted

TG1

3 PhD selected

2 Postdoc selected

11 Staff selected (one staff at the reserve list)

TG2

3 PhD selected

2 Staff selected.

Selection detailed information

First and Second Options

Ref number	Nationality	Gender	Home Univ	Mobility Type	TG	Host Univ	Thematic field	Applicant Status
NOVA1500074	Spain	M	Universitat Autònoma de Barcelona, Spain	3	1. Currently registered with a partner University	The University of British Columbia, Canada	Open Application	Selected
NOVA1500067	Canada	M	University of Ottawa, Canada	3	1. Currently registered with a partner University	University of Bologna, Italy	Department of Industrial Engineering. Group of Robotics, Automations and Articular Biomechanics.	Selected
NOVA1500069	Italy	M	University of Bologna, Italy	3	1. Currently registered with a partner University	University of Ottawa, Canada	Chemistry	Selected
NOVA1500012	United States	F	University of California, Santa Barbara	3	2. Other	University of Glasgow, UK	Institute of Biodiversity, Animal Health and Comparative Medicine	Selected
NOVA1500003	Spain	F	Universitat Politècnica de València	3	2. Other	University of Montreal, Canada	Public Health	Selected already by U.Ottawa

NOVA1500003	Spain	F	Universitat Politècnica de València	3	2. Other	University of Ottawa, Canada	Public Health	Selected
NOVA1500084	Italy	F	Italy-University of F. d'Annunzio, Chieti-Pescara	3	2. Other	University of Ottawa, Canada	Chemistry	Selected
NOVA1500048	Italy	F	Universitat de Barcelona, Spain	4	1. Currently registered with a partner University	Brown University, USA	OPEN POSITION	Selected
NOVA1500008	Italy	F	University of Bologna, Italy	4	1. Currently registered with a partner University	Dalhousie University, Canada	School of Resource & Environmental Studies	Selected
NOVA1500008	Italy	F	University of Bologna, Italy	4	1. Currently registered with a partner University	University of Ottawa, Canada	Others – Natural Sciences	REFUSED, but already selected by Dal
NOVA1500006	Spain	M	Universidad Politécnica de Madrid	4	2. Other	University of Ottawa, Canada	Others – Engineering, Technology	REFUSED
NOVA1500056	United Kingdom	M	University of Glasgow, UK	5	1. Currently registered with a partner University	Dalhousie University, Canada	School of Health & Human Performance	Selected
NOVA1500068	Germany	M	Lund University, Sweden	5	1. Currently registered	Dalhousie University, Canada	Open Application	Selected

					with a partner University			
NOVA1500104	Canada	M	University of Montreal, Canada	5	1. Currently registered with a partner University	Pompeu Fabra University, Spain	Biology/Biomedicine/Health Sciences	Selected
NOVA1500036	Spain	M	Universitat de Barcelona, Spain	5	1. Currently registered with a partner University	The University of British Columbia, Canada	Open Application	Selected
NOVA1500058	Canada	M	University of Ottawa, Canada	5	1. Currently registered with a partner University	Universitat de Barcelona, Spain	Analytical Chemistry	Selected
NOVA1500102	Canada	M	University of Ottawa	5	1. Currently registered with a partner University	University of Bologna, Italy	Administrative Staff in International Relations	Selected
NOVA1500062	Canada	F	Dalhousie University, Canada	5	1. Currently registered with a partner University	University of Glasgow, UK	Institute of Health & Wellbeing - MRC/CSO Social and Public Health Sciences Unit	Selected
NOVA1500060	Canada	M	University of Ottawa, Canada	5	1. Currently registered with a partner	University of Leuven, Belgium	Chemistry Department http://chem.kuleuven.be/en/research	Selected

					University			
NOVA1500070	Canada	M	University of Ottawa, Canada	5	1. Currently registered with a partner University	University of Leuven, Belgium	Department of Public Health and Primary Care	Selected
NOVA1500078	Canada	F	University of Ottawa, Canada	5	1. Currently registered with a partner University	University of Leuven, Belgium	Department of Mechanical Engineering	Selected
NOVA1500096	Spain	M	Pompeu Fabra University, Spain	5	1. Currently registered with a partner University	University of Montreal, Canada	Biology	Selected
NOVA1500096	Spain	M	Pompeu Fabra University, Spain	5	1. Currently registered with a partner University	University of Montreal, Canada	Bio-informatics	Selected already by U.Mont
NOVA1500063	Spain	M	Universitat de Barcelona, Spain	5	1. Currently registered with a partner University	University of Ottawa, Canada	Chemistry	Reserve
NOVA1500097	Bulgaria	F	Universitat Politècnica de Catalunya	5	2. Other	The University of British Columbia, Canada	Open Application	Selected

NOVA1500102	Canada	M	University of Ottawa	5	2. Other	Universitat de Barcelona, Spain	Open application	Selected already by U.Bol
NOVA1500106	Spain	F	Universitat Politècnica Catalunya	5	2. Other	University of Ottawa, Canada	Electrical Engineering	Selected
NOVA1500106	Spain	F	Universitat Politècnica Catalunya	5	2. Other	University of Ottawa, Canada	Others – Engineering, Technology	Selected already by U.Ottawa

NOVADOMUS-CHEMEDPHO 3rd Cohort Selection Agreement, 15th January 2016.
